

These aren't your grandfather's hazy IPAs!

Each of our Hazy series beers has big, bold, juicy hop flavor and aroma due to being prioritized for delivery as fresh as possible. You can always count on a dank and resinous IPA bursting with tropical fruit flavor, no matter which Hazy you order. Let your sales person know which one you liked the best and we might make it permanent!

RANGES

SRMs	3 to 7	40
